Jassim Abdulaal
Managing Partner

“Developing effective valued relationships is key to the success of our business. As a result, our core proposition centres on developing strong partnership between our clients and Grant Thornton Bahrain.”

We are one of the leading and fast growing assurance and business advisory firms located in Bahrain, dedicated to serving the needs of a wide range of clients and industries. It is our firm’s commitment to provide services to the highest technical, professional and ethical standards.”

Jassim Abdulaal

Who we are

Grant Thornton Abdulaal was established in 2000 and is one of the leading chartered accounting practices in Bahrain. It joined Grant Thornton in January 2006 and offers a wide range of professional services supported by member firms around the world.

Where we are

Previously located in the capital city of Manama; we have moved our office to the Al Seef District which is a fast growing business centre within the Kingdom of Bahrain.

Why Grant Thornton

We are one of the world’s leading member firms, with over 38,500 professionals aiming to unlock the potential for business growth. We have been on exponential growth trajectory in Bahrain, which now comprises of a dynamic team offering full-fledged business services with credentials in diverse sectors. Our approach of a local feel and a global outlook makes us a definite choice as a service provider for Audit, Risk and Advisory services in Bahrain.

Our clients

Our clients range from various public and private entities from a broad category of sectors. We are one of the fastest growing advisory firms in Bahrain.

How we work

Our vision is to provide our clients with the best service through a dedicated and experienced team of professionals. We are recognised for combining top technical and professional qualities with a proactive, prompt, responsible and personalised service.

Our value creating team draws upon internationally established leading practices and expertise acquired through practical experiences to provide valuable recommendation and support.

What we do

Meeting the highest standards of professionalism plays a pivotal role in how our firm is structured. The firm functions within a well-established code of conduct focussed on living up to the commitment of achieving excellence.

We serve clients across various industries and sectors which include, but are not limited to government, financial services, real estate, hospitality, and healthcare.
