Rodolfo P. Acevedo Schöerpfer
Managing partner

“As a new member firm in the Grant Thornton organisation, we will strive for excellence in the Bolivian market, to consolidate both our firm and the international organisation as leaders in the accounting profession locally and regionally.”

Rodolfo P. Acevedo Schöerpfer

Who we are

Established in 1992, we are a leading accounting and advisory firm in Bolivia, providing value added services to our clients.

Where we are

We have offices in Cochabamba, Santa Cruz and La Paz.

How we work

We focus on our responsibilities towards our clients, ensuring that we provide a high-quality service and meet their needs in a proactive, energetic way.

What we do

We provide a wide array of services, including:

Assurance

- analysis of management and its organisation (rules, statutes, legal dispositions, etc.)
- evaluation of internal controls
- financial statement audits
- internal audits
- limited reviews
- previously agreed-upon audit procedures
- review of financial projections and budgets
- special purpose audits.

Tax

- control and planning of fiscal obligations
- permanent advisory services
 - advisory on specific matters relevant to the client's operations
 - fiscal calendar control
 - information on major updates on the fiscal laws
 - preparation and filing of tax returns
 - specialised tax and legal advisory.

Other services

Legal services

We specialise in the following areas:

- civil contracts
- constitution of legal entities
- international law
- investments
- labor and social security advisory.

Outsourcing

- accounting and administrative outsourcing
- cash and banking management and control
- constitution and registering of entities
- data processing services
- payroll and social security outsourcing
- tax outsourcing.

Organisational development

- accounting organisation and reorganisation
- institutional development
- organisation and methodologies.

Consulting

- budgeting and costing services
- development and evaluation of feasibility projects
- managerial assessment
- other management tools
- strategic planning
- technical revaluation of fixed assets.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
