**Javier Cotera**  
 Managing partner

*“Our services are supported by more than 40 years of professional work in the Costa Rican market. Our competitive advantage lies in bringing custom-made solutions through a personalised, high quality service supported by state-of-the-art technology.”*

**Javier Cotera**

### Who we are

Grant Thornton Costa Rica is an established and respected firm of public accountants, founded in 1962. We provide both local and international services to a wide range of enterprises of all sizes within a variety of industries including: commerce, tourism and agriculture, with specific emphasis on the banana, sugar cane and coffee sectors, the country's main exports.

The firm specialises in providing advisory services in relation to organisations, taxes and administration to investors seeking to expand or set up business in Costa Rica.

### Where we are

We have one office in San José.

### How we work

We are distinguished by our quality, personalised attention and openness in serving small and medium sized companies. Our mission is to provide our clients with the right services that are useful and practical for the development of their administrative and management activities.

### What we do

#### Assurance

#### Accounting and auditing

In addition to the auditing of financial statements in compliance with International Auditing Standards, the firm also performs reviews of companies' internal controls, prepares financial statements for clients and performs outsourcing services such as record keeping.

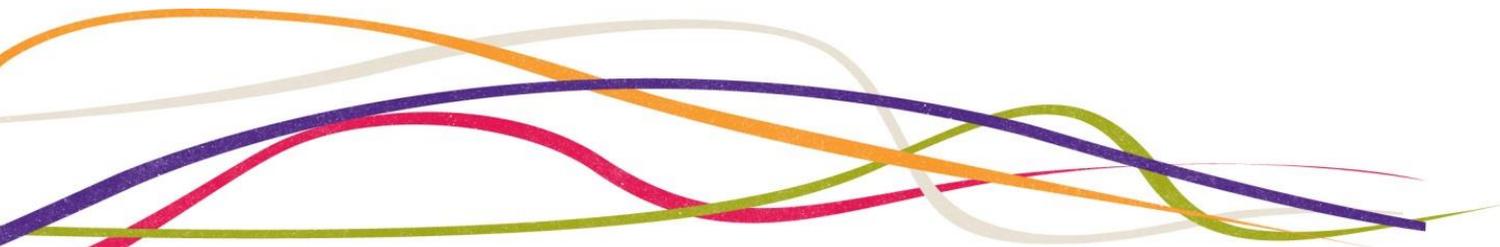

#### Tax

We offer our clients the following services:

- evaluation and tax planning
- consulting
- income tax – returns, revision and filing
- petitions
- refund applications and compensations
- tax compliance.

#### Other services

- IFRS consulting and compliance
- IT reviews and audits

### **Our global organisation**

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
