**Ian Pascoe**  
Managing partner

*“Grant Thornton is driven by a simple ambition: to be the only choice for dynamic businesses. We are the perfect partners for organisations that are ambitious and want to grow. We understand organisations that are going through change and that need our advice and support, because we too share the characteristics of ambition and dynamism.*

*We are already servicing some of the largest dynamic businesses within Thailand. With our international reach, depth and expertise combined with the personal attention, added value and relationship-based approach of our distinctive firm, we are becoming the leading service provider for growth-based organisations.”*

### Who we are

Grant Thornton Thailand was established in 1991 and has enjoyed growth and success ever since. We have over 140 professional staff providing services in assurance, management consulting, business risk services, corporate finance, executive recruitment, recovery and reorganisation and tax advisory, helping clients in a broad range of industries achieve their objectives.

### Where we are

Our office is located in downtown Bangkok and is easy to get to by car, skytrain or taxi.

### How we work

We operate with the highest standards of professional integrity with solid principles. Our dedication, teamwork and commitment result in a world-class professional service to our clients in Thailand.

Our team combines international and Thai expertise, with long-term resident foreigners, access to expertise from offices all over the world and one of the brightest, best-educated teams of Thai professionals in the country.

## **Our global organisation**

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
