Who we are

Grant Thornton Camelsa was established in 1996. The firm excels in the professional services that it offers and is one of the fastest growing firms in Zimbabwe.

It offers the traditional audit, accounting and tax practice services including a broad range of advisory services to privately held businesses, public interest companies and the public sector.

Where we are

Our offices are located in Highlands, Harare. We work closely with the sub-Saharan region network firms of Grant Thornton situated in Botswana, Guinea, Kenya, Mauritius, Mozambique, Namibia, South Africa, Uganda and Zambia. This means we can offer our clients access to services from around the network to establish and grow their business in the region and beyond.

How we work

Our unique position as a firm is that our size enables us to provide personalised services with hands-on involvement at partner level on assignments.

Our success is attributed to the professional experience and skills of our partners, consultants, managers and supporting staff that consistently ensure that the highest standard of service is delivered at all times in an ethical manner.

What we do

We provide a range of services including:

- statutory and company secretarial compliance and consulting.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, in more than 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
